THE INLAND FISH AND GAME LAWS OF MAINE.

SIX YEARS' CLOSE TIME ON CARIBOU. 1899, CHAPTER 42.

Sec. 19. It is unlawful to hunt, chase, catch, kill or have in possession any caribou, or part thereof, before October 15, A. D. 1905. Penalty same as on moose.

(Note). When firm had three caribou each partner held liable. Allen vs. Leighton, 87 Me., 206.

CLOSE TIME AND PROTECTION OF MOOSE, AS AMENDED BY CHAPTER 222, PUBLIC LAWS OF 1901.

No person shall at any time hunt, catch, kill, destroy or have in possession any cow or calf moose; and the term "calf moose," as herein used, shall be construed to mean that these animals are calves until they are at least one year old, and have at least two prongs or tines to their horns. No person shall, between the first day of December and the fifteenth day of October, in any manner, hunt, take, catch, or kill or have in possession any bull moose or part thereof, and no person shall, between October fifteenth and December first, take, catch, kill, or have in possession more than one bull moose or part thereof.

(Note) (All the change that was made in the moose law by the last Legislature was in relation to having in possession any bull moose or part thereof in close time).

CLOSE TIME AND PROTECTION OF DEER, AS AMENDED BY CHAPTER 222, SECTION 2, OF PUBLIC LAWS OF 1901.

No person shall, except as hereinafter provided, in any manner, hunt, take, catch, kill or have in possession for any purpose or whenever or wherever taken, caught or killed, any deer, or part thereof, between

December fifteenth and October first next following; no person shall between October first and December fifteenth next following, except as hereinafter provided, take, catch, kill or have in possession for any purpose or whenever or wherever taken, caught or killed, more than two deer or parts thereof; a person lawfully killing a deer in open season shall have a reasonable time in which to transport the same to his home and may have the same in possession at his home in close season.

Note. (This is a radical change from the old law, so far as HAVING DEER in possession is concerned. Not more than two deer can be had in possession for any purpose, no matter where or when taken, and a person who has shot a deer lawfully in open season shall have a reasonable time to get it home in close season, and may have it in possession in close season at his home).

THE SEPTEMBER LAW, so called, was entirely repealed by chapter 278, public laws of 1901, so that it is impossible to legally kill a deer for any purpose during this month.

THE BOUNTY ON WILD CATS was repealed by chapter 207, public laws of 1901.

THE BOUNTY ON WOLVES, of five dollars, remains. Ch. 42, sec. 16, P. L. '99.

PENALTIES. For illegally hunting, chasing, catching, killing or having in possession moose, caribou or deer, section 20, chap. 42, public laws of 1899, as amended by ch. 222, sec. 8, P. L. 1901.

Whoever shall violate any of the provisions of section seventeen of this chapter, shall be punished by a fine of not less than five hundred dollars nor more than one thousand dollars or by imprisonment not exceeding four months; whoever shall violate any of the provisions of section eighteen of this chapter, shall be punished by a fine of forty dollars and costs for each deer taken, caught, killed or had in possession in violation

of the provisions of section eighteen of said chapter; whoever shall violate any of the provisions of section nineteen of this chapter relating to deer, shall be punished by a fine of forty dollars and costs; and whoever shall violate any of the provisions of section nineteen of this chapter, relating to moose or caribou, shall be punished by a fine of not less than five hundred dollars nor more than one thousand dollars, or by imprisonment not exceeding four months.

USE OF DOGS PROHIBITED. CHAPTER 42, SECTION 19, PUBLIC LAWS 1899.

No person shall at any time, in any manner, hunt, catch, take, kill, or destroy, with dogs, jack lights, artificial lights, snares, or traps, any moose, deer or caribou. (Penalty as found in section 20 above).

Section 22, chapter 42, P. L. 1899, as amended by chapter 222, sec. 3, P. L. 1901.

Any person may, at any time, lawfully kill any dog which hunts or chases a moose, caribou, or deer, or any dog kept or used for that purpose.

Any person owning or having in his possession any dog for the purpose of hunting or chasing moose, caribou, or deer, shall be punished by a fine of one hundred dollars and costs of prosecution for each offense.

(Note). The question often arises, is a person liable whose dog, of his own volition, leaves the house of his master and chases deer? Anybody can lawfully kill the dog, under these circumstances. The owner or keeper would not be liable if he knew nothing about it, but if he was informed that his dog was in the habit of chasing this game, and does not confine him, and the dog, after his owner has this knowledge, again chases game, he would be liable. Owners of dogs should keep them within their immediate control, at their peril, the same as he does his horses, his cattle and his hogs. Dogs are not domestic animals. *State v. Harriman*, 75 Me., 562. One cannot be convicted for stealing under R. S., ch. 127, sec. 1. *State vs. Harriman*, 75 Me., 562.

SUNDAY IS A CLOSE TIME. SEC. 22 OF CH. 42,
P. L., 1899, AS AMENDED BY SEC. 3, CHAP. 222,
P. L., 1901.

Sunday is a close time, on which it is not lawful to hunt, kill, or destroy game or birds of any kind, under the penalties imposed therefor during other close time, but the penalties already imposed for the violation of the Sunday laws by the statutes of this state are not hereby repealed or diminished.

(Note). Sunday is not a close time on fishing, in the same sense as on hunting. The only law to prevent fishing on Sunday, during the open season, is the old Sunday law, so called, and is as follows: "Whoever on the Lord's day keeps open his shop * * * or place of business * * * travels or does any work, labor or business on that day, except works of necessity or charity; uses any sport, game or recreation * * * shall be punished by a fine not exceeding \$10." R. S., ch. 124, sec. 20.

This statute also provides "that a person conscientiously believing that the seventh day of the week ought to be observed as the Sabbath, and actually keeps Saturday as Sunday, is not liable to the above penalty if he does not disturb others by his work." But this will not give him the right to hunt game or birds or fish on Sunday, though he refrain from doing it on Saturday.

BEWARE OF SHOOTING BEFORE YOU KNOW
WHAT YOU ARE SHOOTING AT.

(Note). The many deplorable, so called, accidents each year, where a person has been mistaken for a deer, and killed, induced the passage of the following law: Ch. 263, P. L., 1901.

Section 1. Whoever while on a hunting trip, or in the pursuit of wild game or game birds, negligently or carelessly shoots and wounds, or kills any human being, shall be punished by imprisonment not exceeding ten years, or by fine not exceeding one thousand dollars.

Section 2. It shall be the duty of the county attorney and sheriff in the county in which a violation of the foregoing section occurs, to forthwith investigate and prosecute every person who therein violates the provisions of this act, and for failing so to investigate and prosecute, each of said officers shall be liable to a fine of not exceeding one thousand dollars, and to be removed from office.

NON-RESIDENTS MUST EMPLOY GUIDES. CH. 278, P. L. 1901.

It shall be unlawful for non-residents of the state to enter upon the wild lands of the state with intent to camp and kindle fires thereon, while engaged in hunting or fishing, without being in charge of a registered guide, during the months of May, June, July, August, September, October and November; provided, that the provisions of this section so far as entering upon the wild lands in this state with intent to camp and kindle fires thereon while engaged in hunting or fishing, shall not apply to any person or persons who while hunting or fishing, stop permanently at any hunting or fishing camp, during such stay, which is owned or under the control of any registered guide or registered camp owner.

Whoever shall take, catch or kill any deer, or enter upon the wild lands in this state, with intent to camp and kindle fires thereon, while engaged in hunting or fishing, without being in charge of a registered guide, during the months of May, June, July, August, September, October and November, in violation of the provisions herein contained, shall be fined forty dollars and costs of prosecution, for each offense and be subject to imprisonment thirty days.

Swan's Island in the county of Hancock for a period of five years. Whoever violates any of the provisions of this Act, shall be subject to the same penalties as are provided in the general law for the illegal hunting and killing of deer. Ch. 446, P. & S. Laws 1901.

Ch. 452, P. & S. L., 1901.

OPEN AND CLOSE SEASON DEFINED.

Section 22 of ch. 42 of the P. L. of 1899, as amended by sec. 3, of ch. 222 of the P. L. of 1901.

The words "close season" and "close time," where used in this act, shall mean the time or period during which by this act it is made unlawful to hunt, shoot, wound, trap or destroy any bird or animal, or fish for, or catch any fish mentioned or referred to in this act, and the words "open season" where used in this act, shall mean the time or period during which it shall be lawful to take these animals, fish, and birds as specified and limited.

(Note). The possessor of game illegally taken or killed is as liable as if he had taken it himself. State vs. Bucknam, 88 Me. 385.

TRANSPORTATION.

Chapter 42, section 23, P. L., 1899.

No person or corporation shall carry or transport from place to place any moose, or deer, or part thereof, in close time, nor in open time unless open to view, tagged, and plainly labelled with the name and residence

of the owner thereof, and accompanied by him, under a penalty of forty dollars and costs of prosecution for each moose or deer so transported or carried; and any person not the actual owner of such game or parts thereof, who, to aid another in such transportation, falsely represents himself to be the owner thereof, shall be liable to the penalties aforesaid; and it shall be prima facie evidence that said game, that is being transported or carried in violation of this section, was illegally killed; but nothing herein shall apply to the transportation of moose, or deer by any person or corporation, when such game is lawfully tagged in accordance with the provisions of section 26 of this chapter. Whoever lawfully kills a bull moose shall, while the same, or any part thereof, is being transported, preserve and transport it, with the evidence on the moose of the sex of the same. Whoever fails to comply with the provisions of this section shall forfeit to the State the moose or part thereof being transported, and pay a fine of three hundred dollars and costs of prosecution.

Chapter 42, P. L. 1899, sec. 24.

All birds, fish, and game hunted, caught, killed, destroyed, bought, carried, transported, or found in possession of any person or corporation, in violation of the provisions of this chapter and amendments thereto, shall be liable to seizure; and in case of conviction for such violation, such game shall be forfeited to the State, to be sold for consumption in this State only. Any person whose game or fish has been seized for violation of any game or fish law, shall have it returned to him on giving to the officer a bond with sufficient sureties, residents of the State, in double the amount of the fine for such violation, on condition that, if convicted of such violation, he will, within thirty days thereafter, pay such fine and costs. If he neglects or refuses to give such bond and take the game or fish so seized, he shall have no action against the officer for such seizure, or for the loss of the game or fish seized.

SHALL NOT GIVE AWAY BIRDS OR GAME.

Chapter 42, sec. 25, P. L., 1899.

No resident of this State shall sell or give away any moose or deer or part thereof, or any game birds, to be transported or carried beyond the limits of this State, under a penalty of one hundred dollars for each and every moose, deer, or part thereof, and one dollar for every game bird so sold or given away; and any person who shall buy any of the above named animals or birds or parts thereof, to so transport them, or who shall transport them after buying the same, or receiving the same as a gift, shall be subject to the same penalty.

MAY TRANSPORT MOOSE, DEER, GAME BIRDS AND FISH ON PAYMENT OF A FEE.

Chap. 42, sec. 26, P. L., 1899.

Any person who has lawfully killed a moose or a deer, or who has lawfully in his possession one trout, one togue, one land-locked salmon, or one white perch, or ten pounds of either kind of these fish, or one pair of game birds, may send the same to his home or to any hospital in the State, without accompanying the same, by purchasing of the duly constituted agent therefor a tag, paying for a moose five dollars, for a deer two dollars, for a trout, togue, or land-locked salmon, one dollar for each, or one dollar for each ten pounds of the same, and fifty cents for one white perch or ten pounds of the same, and fifty cents for a pair of game birds. The commissioners of inland fisheries and game may appoint agents in convenient localities who may sell these tags, under such rules and regulations as the commissioners may adopt.

Note.—(A person who has lawfully killed a bull moose, or a deer, may sell them, but not to be transported out of the State. He may take them to his home wherever he lives, by going with them, and having them properly tagged, or he may buy a license and

ship them to his home without going with them. He may take a moose or two deer that he has killed out of the State, or he may cut them up and peddle them out, without a license.

One who lawfully obtains the ownership of game in open time is not criminally liable for having the same in possession in close time afterwards. 88 Me. 385; 76-80; 82-173; 75-289. But having it thus in possession is evidence of its illegal capture. 88 Me. 385).

GAME BIRDS AND THEIR PROTECTION.

Public Laws 1901, ch. 258.

There shall be for game birds an annual close time in which it shall be unlawful to hunt, chase, catch, kill or have them in possession whenever or however killed, as follows, For wood duck, dusky duck, commonly called black duck, teal, and gray duck, the close time shall be during the months of January, February, March, May, June, July, August and December of each year; for ruffed grouse, commonly called partridge, and woodcock, from the first day of December to September fifteenth next following of each year; for quail from the first day of December to the first day of October; for plover, snipe and sandpipers, from the first day of May to the first day of August of each year. Whoever violates any of the above named provisions of this section shall be subject to a penalty of not less than five dollars nor more than ten dollars for each bird so killed, caught, chased, or had in possession in close time. No person shall, in any one day, kill or have in possession more than fifteen of each variety of the above named birds, except sandpipers, the number of which shall not exceed seventy in one day, during the respective open seasons for each; nor shall any person, at any time, kill or have in possession any ruffed grouse, commonly called partridge, or woodcock, except for his own consumption within this state, except as hereinafter provided, under a penalty of five dollars for each bird so unlawfully killed or had in possession; nor shall any

person at any time sell, or offer for sale, any ruffed grouse, commonly called partridge, or woodcock, within this state, under the same penalty; nor shall any person or corporation carry or transport from place to place any of the birds mentioned in this section, in close season, nor in open season unless open to view, tagged, and plainly labelled with the owner's name and residence and accompanied by him, unless tagged in accordance with section twenty-six of this chapter under the same penalty. Any person, not the actual owner of such bird or birds, who, to aid another in such transportation, falsely represents himself to be the owner thereof shall be liable to the same penalty; nor shall any person or corporation carry or transport at any one time more than fifteen of any one variety of the birds above mentioned as the property of one person, under the same penalty; and it shall be unlawful for a term of ten years, to hunt, for, take, catch, kill or destroy the capercaillie, or cock of the woods, so called, black game, so called, or any species of the pheasant, except ruffed grouse or partridge, under a penalty of fifty dollars for each offense.

USE OF TRAPS, NETS, SNARES, AND ALL
OTHER METHODS, EXCEPT THE USUAL
METHOD OF SPORTING WITH FIREARMS,
ILLEGAL IN TAKING GAME BIRDS; ALSO
HAVING FIREARMS IN THE NIGHT IN
POSSESSION IN THE VICINITY OF THE
DUCK GROUNDS IN MERRY MEETING BAY

Sec. 13, ch. 42, P. L. 1899.

It is unlawful to take any wild duck, of any variety, quail, ruffed grouse, or partridge, woodcock, or any bird, except by the usual method of sporting with firearms. Penalty \$5.00 for each bird. It is unlawful to kill in any manner any wild duck of any variety on the Kennebec river or on the shores thereof, south of Gardiner and Randolph bridge, or on Merrymeeting bay, or the shores thereof, between sunset and daylight of the following morning; it is unlawful to hunt, kill.

or destroy any wild duck, at any time, with the aid of jack lights, or any artificial light. Penalty \$50.00.

Having firearms in possession in the vicinity of the duck grounds in Merrymeeting bay, or on the Kennebec river south of the Randolph and Gardiner bridge, in the night time, is *prima facie* evidence that the person having them is hunting ducks contrary to law.

USE OF LAUNCHES, OR OTHER CRAFT PROPELLED BY OTHER THAN HAND POWER, UNLAWFUL IN HUNTING DUCK OR OTHER WATER FOWL, IN CERTAIN LOCALITIES.

P. & S. Laws 1901, chapter 387.

It shall be unlawful to pursue, hunt or shoot duck or other water fowl upon the waters of Lower Kezar pond, in the county of Oxford, in any launch or other craft propelled by steam, naphtha, electric or any power than by sails or hand, under a penalty of fifty dollars for each offense.

PROTECTION OF BIRDS OTHER THAN GAME BIRDS.

Ch. 142, Public Laws of 1901.

No person shall, within the state of Maine, kill or catch or have in his or her possession, living or dead, any wild bird, other than a game bird, nor shall purchase, offer or expose for sale, any such wild bird after it has been killed or caught. No part of the plumage, skin or body of any bird protected by this section shall be sold or had in possession for sale. Nor shall any person within the state take or needlessly destroy the nest or the eggs of any wild bird, nor have such nest or eggs in his or her possession. The English, or European house sparrow, the common crow and the hawks and owls are not included among the birds herein protected; and for the purposes of this act, the following only shall be considered game birds: the anatidæ, commonly known as swans, geese, brant, and river and sea ducks; the rallidæ, commonly known as rails, coots,

mud-hens and gallinules; the limicolæ, commonly known as shore birds, plovers, surf birds, snipe, woodcock, sandpipers, tattlers and curlews; the gallinæ, commonly known as wild turkeys, grouse, prairie chickens, pheasants, partridges and quails. Nothing in this section, however, shall be construed to affect in any way the protection of game birds, as provided in sections eleven and thirteen of the act hereby amended. Any person who violates any of the provisions of this section shall be guilty of a misdemeanor, and when convicted therefor, shall be fined five dollars for each offense, and an additional five dollars for each bird, living or dead, or part of bird, or nest or eggs possessed in violation of this section or to imprisonment for ten days, or both, at the discretion of the court.

(Note). It will be seen by the above section that sweeping changes were made in the protection of birds other than game birds. The Ornithologists' Societies recommended and urged and secured the passage of this law.

The only birds, other than game birds, not protected are crows, hawks, owls and English sparrows.

DOVES.

It is held in all the authorities that doves are *feræ naturæ*, and as such are not subject of larceny, except when in the care and custody of the owner; as when in a dovecote or pigeon house, or when in the nest, before they are able to fly. If, when thus under the care of the owner, they are taken furtively, it is larceny, 9 Pickering, 15, 89 Me. 86.

Perhaps when feeding on the grounds of the proprietor, or resting on his barn, or other buildings, if killed by a stranger, the owner may have trespass, and if the purpose be to consume them as food, and they are killed or caught or carried away from the inclosure of the owner the act would be larceny. 89 Me. 87.

OPEN AND CLOSE SEASON ON LAND-LOCKED
SALMON, TROUT, TOGUE, WHITE PERCH,
BLACK BASS AND PICKEREL.

Public Laws 1899, chapter 42, sec. 5, and P. & S. L., chap. 326, 1901, relating to open season in Oxford county.

There shall be an annual close time for land-locked salmon, trout, togue, and white perch, as follows: for land-locked salmon, trout, and togue, from the first day of October until the ice is out of the pond, lake or river fished in the following spring of each year, except on the St. Croix river and its tributaries, and on all the waters in Kennebec county, in which the close time shall be from the fifteenth day of September until the ice is out of the ponds and lakes the following spring, and in Franklin county in which the close time shall be from the first day of October till May first; but for white perch, the close time shall be from the first day of April to the first day of July. No person shall take, catch, kill, or fish for in any manner, any land-locked salmon, trout, togue, or white perch in any of the waters of this State in close time, under a penalty of not less than ten dollars nor more than thirty dollars, and a further fine of one dollar for each fish thus caught, taken, or killed; provided, however, that any person lawfully trolling for trout, land-locked salmon, or togue, in good faith, who shall accidentally hook or catch a white perch may lawfully keep the same; and provided, that during February, March and April, citizens of this State may fish for and take land-locked salmon, trout, and togue, with not more than five set lines for each family, when fishing through the ice in the day time, and when under the immediate personal superintendence of the person fishing, and may convey them to their own homes for consumption therein, but not otherwise; but no citizen of the State during this time shall be permitted to catch more than twenty pounds or one fish, of any of the above named fish in any one day.

(Note). Much uncertainty has seemed to exist in the minds of many about "winter" or "ice fishing," as it is called; also as to just what streams or tributaries are closed to fishing, and special regulations as to the manner of fishing, &c., in certain waters.

For convenience I have taken up this subject by counties, naming the lakes and ponds closed to ice fishing and the tributaries closed to any kind of fishing.

ANDROSCOGGIN COUNTY.

P. L. 1899, Ch. 42, Sec. 5. It is unlawful to fish through the ice at any time in lake Auburn in Auburn, Brettun's pond in Livermore, Allen pond in Greene, (and Androscoggin pond, situated partly in this county. P. & S. L. 1901, ch. 226).

(Note). It is lawful to fish through the ice, as provided in the general law, in all other lakes and ponds in this county.

SPECIAL LAW RELATIVE TO BLACK BASS IN SABATTUS POND.

It shall be unlawful for any person to kill any black bass which does not measure 12 inches in length from tip of nose to tip of tail, or to kill or cause to be killed more than 10 black bass in any one day taken from Sabattus pond. (Laws of 1901, ch. 287.)

SPECIAL LAWS CLOSING CERTAIN TRIBUTARIES TO CERTAIN LAKES IN THIS COUNTY.

It is also unlawful to fish at any time, for any kind of fish in any of the tributaries of Lake Auburn, or in Townsend brook, north of the road leading from the Turner road to North Auburn village, or in Townsend brook within 100 feet of the culvert at the mouth, during September of each year, or in any of the tributaries of Taylor pond, in the city of Auburn, or in any of the tributaries to Brettun's pond, in Livermore, Ch. 42, sec. 5, P. L., 1899. It is also unlawful to fish in

Three brooks, in Wales, Leeds and Greene, or in East and West branches of Dead river, in Leeds, Greene, and Wales, or in Dead river, in Greene, from the point where the Three brooks empty into said Dead river up to the bridge or in Upper and Lower Smelt brooks, on west side of Sabattus pond, in Greene, or in Sabattus river, in Webster, from outlet of Sabattus pond to the second dam, or in the tributaries of Big Bear pond, situated partly in Turner.

Provided, however, it shall be lawful to take such fish as are usually used for live bait, in Dead river, from Sabattus pond to where the East and West branches come together, during the months from May first to December first of each year, in quantities not to exceed five hundred in number, in any one month, to any one person.

It shall be unlawful to fish for any kind of fish on Sunday from the second dam to the third dam, on Sabattus river. (Rules and Reg. of Commissioners).

AROOSTOOK COUNTY.

There are no lakes or ponds closed to ice fishing in this county, except that Ross and Conroy lakes, in Littleton and Monticello, were closed to ALL fishing for 5 years by chapter 474 of Private and Special laws of 1901.

Sec. 5, ch. 42, P. L. of 1899. It is also unlawful to fish at any time, for any kind of fish, in the inlet streams of Squaw Pan lake, from Thibadeau's landing to the source of the stream, or in any of the tributaries to Madawaska lake.

CUMBERLAND COUNTY.

It is unlawful to fish through the ice for any kind of fish in Little Sebago pond and until June 15th of each year. P. & S. laws 1901, ch. 328.

Sabbath Day pond in New Gloucester and Thomas pond in Raymond and Casco are closed to ice fishing. P. L. of 1899, ch. 42, sec. 5. Great Watchic pond and

tributaries are closed to fishing from Oct. 1st to 1st day of May following. Ch. 292, P. & S. L., 1901.

(Note). It is lawful to fish through the ice, as provided in the general law, in all other lakes and ponds in this county. See also Thompson pond, Oxford county.

Sec. 5, ch. 42, P. L. 1899.

It is unlawful to fish at any time, for any kind of fish, in any of the tributaries to Sabbath Day pond, in New Gloucester, or in the tributaries to Sebago lake, except Crooked and North West rivers, or in the tributaries of Anonymous pond, in Harrison, or in Royal river, from the Sabbath Day pond to Jordan's dam, or in the tributaries to Thomas pond, in Raymond and Casco, or in Greely brook and its tributaries, in Oxford, Norway, and Otisfield.

FRANKLIN COUNTY.

By sec. 5, ch. 42, P. L. 1899, it is unlawful to fish through the ice in any of the lakes or ponds in Franklin county.

WHAT ARE TRIBUTARIES?

(Note). Much inquiry is made as to just what are considered to be the tributaries to a lake or pond. The answer is: One lake or pond is not a tributary to another lake or pond, within the meaning of the law. "Tributary," taken in its ordinary meaning, means "paying tribute to"—"serving to increase"—in geography, "a stream which contributes to another body of water."—"a branch or affluent,"—from which it follows that the tributaries to a lake or pond are all of its contributory streams, but not another lake or pond.

LICENSING OF GUIDES.

Ch. 42, P. L. 1899, Sec. 30. No person shall engage in the business of guiding, either for inland fishing or forest hunting, until he has caused his name, age, and residence to be recorded in a book kept for that purpose by the commissioners of inland fisheries and game, and has procured a certificate from said commissioners, setting forth in substance that he is deemed suitable to act as a guide, either for inland fishing or forest hunting, or both, as the case may be, under a penalty of fifty dollars and costs of prosecution for each offense. Each registered guide shall, from time to time, as often as requested by the commissioners, forward, on blanks furnished him by the commissioners, a statement of the number of persons he has guided in inland fishing and forest hunting during the time called for in said statement, the number of days he has been employed as a guide, and such other useful information relative to inland fish and game, forest fires, and the preservation of the forests in the localities where he has guided, as the commissioners may deem of importance to the State, under a penalty of fifty dollars for unreasonably or wilfully refusing to comply with these requirements.

Sec. 31. Such registration as is provided for in this chapter shall be as follows: the applicant shall apply in writing or personally to the commissioners for registration, or to some person designated by the commis-

sioners, setting forth in his application whether he desires to be registered as a general or local guide; and the commissioners shall, as soon thereafter as may be, register such person as a guide in such class as they shall deem proper, after such investigation as they shall deem proper; but said commissioners may refuse to register any applicant whom they deem unfit to be a guide, and may, for cause shown, after due notice and hearing, cancel any registration by them made, and may advance anyone from the local class to the general class, whenever they shall deem such person qualified to be a general guide. Whenever a guide registered, as provided in this chapter, is convicted of any violation of any of the inland fish and game laws, the commissioners shall, at their discretion, cancel his certificate of registration and strike his name from the list of registered guides; but such person may thereafter be registered again at the discretion of the commissioners. Any certificate cancelled by virtue of this chapter shall be immediately returned to the commissioners, under a penalty of fifty dollars for refusal or neglect to comply with this requirement. A fee of one dollar shall be paid annually for the registration as herein provided. No person shall receive a certificate as a general guide unless he be at least twenty years of age, of good repute, and friendly to the inland fish and game laws, and will discountenance in all proper ways all violations thereof. He shall be thoroughly competent to traverse the hunting grounds of the State in which he is licensed to guide, and shall be skilled in the use, management, and handling of such boats or canoes, on lake, pond, or river, as are used in the territory in which he is authorized to guide, and shall be a safe person under all circumstances to be a guide for inland fishing and forest hunting parties. A person may receive a certificate as a local guide who does not, in the judgment of the commissioners, possess all the necessary qualifications of a general guide, yet is deemed suitable to act as such under certain conditions; and guides may be restricted

in the territory in which they are permitted to guide. Every non-resident registered as a guide shall pay a fee of twenty dollars; the commissioners may at their discretion refuse to issue any certificates of registration after October twentieth of each year, and every certificate issued shall expire with the calendar year. An official badge for guides may be prepared by the commissioners.

All marketmen or provision dealers licensed as aforesaid shall pay to the commissioners, in cities and towns of over three thousand inhabitants, five dollars annually, and three dollars in all other places; or instead of this fee, the commissioners may, at their discretion, issue licenses authorizing the retailing of deer as above specified, on payment of fifty cents for each deer

retailed; said marketmen and provision dealers holding these licenses shall annually, on December fifteenth, make, sign, and send to the commissioners, under oath, a statement setting forth in detail the number of deer by them bought, and of whom bought, and the date of each purchase, during the time covered by their licenses; and whoever fails to make the report required in this section shall be subject to a penalty of one hundred dollars and costs.

state, except for exchange of specimens for scientific purposes; and for any violation of the provisions of this section, such persons shall be subject to a fine of not less than ten nor more than fifty dollars. This section, however, shall not authorize the killing of any birds nor the taking of any birds' nests or eggs thereof on Sunday; and the commissioners may, for cause, revoke any license authorized by this section. Taxidermists mentioned in this section may at all times have in their possession, at their places of business, fish and game lawfully caught or killed in open time for the sole purpose of preparing for and mounting the same; and such fish and game, or parts thereof, may be transported to such licensee and retained by him for the purposes aforesaid, under such rules, restrictions and limitations as shall, from time to time, be made by said commissioners and stated in such original license and additions made thereto, from time to time, by said commissioners. Such licenses may be revoked by said commissioners, at any time after notice and an opportunity for a hearing; such licenses shall be for the term of three years, and each person so licensed shall annually, on or before December first of each year, make a detailed, written report to the commissioners of all they have done during the year by virtue of such license; and every licensee or carrier violating any of the provisions of this act, or of the rules, restrictions, or limitations set out in said license and additions thereto, shall, on complaint before any trial justice or municipal or police court, be fined not less than twenty dollars nor more than fifty dollars.

Sec. 33. They shall examine into the workings of the inland fish and game laws, see that all violations thereof are duly prosecuted, and perform all other duties prescribed by law. They shall annually on or before the 31st day of December, report to the governor.

Sec. 34. The commissioners of inland fisheries and game shall have authority, upon petition of five or more citizens of the State, or whenever they shall deem it for the best interests of the State, after due notice and public hearing in the locality to be affected, to regulate the times and places in which and the circumstances under which game and inland fish may be taken; but they cannot authorize the taking of game or inland fish at a time in which its capture is prohibited by the laws of the State, and in all cases where the prayer of the petitioners is refused, one-half of the expenses of the commissioners shall be paid by the petitioners. Whenever they deem it for the best interests of the State, after

like notice and hearing, they may entirely prohibit the taking of any kind of game or inland fish, in any part of the State, for a series of years not exceeding four. They may adopt and, from time to time, modify or repeal such needful rules and regulations, not contrary to the laws of the State, as they may deem necessary or proper for the protection and preservation of the game and inland fish of the State, in conformity with the provisions of the last two preceding sections. They shall file, in the office of the clerks of the cities, towns, and plantations in the territory to be affected, a copy of the rules and regulations adopted by them, and publish the same three weeks successively in a newspaper printed in the county, and post on the banks of waters to be affected, as nearby as may be like notices; and whenever any such rules or regulations apply to any unorganized township, a like copy shall be filed with the clerk of courts for that county and published three weeks successively in a newspaper printed in the county; they shall also immediately upon the adoption of any rules and regulations contemplated by this act, file an attested copy of the same in the office of the secretary of State.

Sec. 35. Whoever fishes for, takes, catches, kills, or destroys any inland fish, in any manner or at any time, in violation of any of the rules and regulations of the commissioners of inland fisheries and game, made and promulgated in conformity with the provisions of this chapter, shall be punished in the same manner and to the same extent as is provided for by law for the illegal taking, catching, killing or destroying of any such inland fish.

Sec. 36. Whoever at any time or in any manner shall hunt, chase, catch, kill, take, have in possession, or destroy any inland game, in violation of any of the rules and regulations of the commissioners of inland fisheries and game, made and promulgated in conformity with the provisions of this chapter, shall be punished in the same manner and to the same extent as is pro-

Sec. 37. Any person who wilfully mutilates, defaces or destroys any notice, rule, or regulation of the commissioners of inland fisheries and game, posted in conformity with the provisions of this act, shall be punished by a fine not exceeding fifty dollars, to be recovered by complaint or indictment; and one-half of said fine shall be paid to the prosecutor.

Sec. 38. Said commissioners of fisheries and game may take fish and game of any kind when, where, and in such manner, as they choose, for the purposes of science and of cultivation and dissemination, and they may grant written permits to other persons to take fish and game for the same purposes, and may introduce or permit to be introduced, any kind of fish into any waters. They may, after a hearing, set apart, for a term not exceeding ten years, any waters for the use of themselves, or of the United States commissioner of fish and fisheries, in the prosecution of the work of fish culture and of scientific research relative to fishes. The order setting apart such waters shall be recorded in the registry of deeds of the county in which they are situated. In the waters so set apart, they and the United States commissioner of fish and fisheries, and persons acting under their authority may, in their respective fish culture and scientific work, take fish at any time or in any manner, and erect and maintain any fixtures necessary for such purposes. No other person shall take or kill any fish, or use any implement for fishing therein, under a penalty of not less than ten nor more than one hundred dollars, and a further penalty of one dollar for each fish so taken or killed; provided, however, that before such hearing they shall give notice thereof, by publication of their intention for two successive weeks in at least one newspaper printed in the county where such waters lie. They are authorized to grant permission to take moose, caribou, deer, and birds

for park purposes in this State, under such rules, regulations, and conditions as they shall establish. They may, under such rules and regulations as they may establish, permit the taking of eels and white fish in the inland waters of the State. They shall have authority to cause the destruction of all mink found in or around any fish hatchery or feeding station in this State. They may upon petition of ten or more taxpayers, residents in the locality, adopt such needful rules and regulations, not contrary to the general laws of the State, as may be necessary to prevent the interference with, or the destruction of the spawning beds, feeding troughs, or artificial ponds of land-locked salmon or trout, or other useful fish. The penalty for the wilful violation of any of such rules and regulations shall be fifty dollars for each offense. The commissioners may at their discretion, screen the outlet of any pond or lake or authorize the same to be done under such conditions as may seem to them just.

FISH WAYS.

Sec. 39. The owner or occupant of every dam or other artificial obstruction in any river or stream frequented by salmon, shad, alewives, or land-locked salmon, shall provide the same with a durable and efficient fishway, of such form and capacity, and in such location as may, after notice in writing to one or more of said owners or occupants and a hearing thereon, be determined by the commissioners of inland fisheries and game by written notice to some owner or occupant specifying the location, form, and capacity of the required fishway, and the time within which it shall be built; and said owner or occupant shall keep said fishway in repair, and open and free from obstruction for the passage of fish, during such times as are prescribed by law; provided, however, that in case of disagreement between said commissioners and the owner or occupant of any dam, as to the propriety and safety of the plan submitted to the owner or occupant of such dam

for the location and construction of the fishway, such owner or occupant may appeal to the county commissioners of the county where the dam is located, within twenty days after notice of the determination, to the commissioners of inland fisheries and game by giving to the latter named commissioners notice in writing of such appeal within that time, stating therein the reasons therefor; and at the request of the appellant or the commissioners of inland fisheries and game the senior commissioner in office of any two adjoining counties shall be associated with them, who shall appoint a time to view the premises and hear the parties and give due notice thereof, and after such hearing they shall decide the question submitted, and cause record to be made thereof, and their decision shall be final as to the plan and location appealed from. If the requirements of the commissioners of inland fisheries and game are affirmed, the appellants shall be liable for the costs arising after the appeal, otherwise they shall be paid by the county. If a fishway thus required is not completed to the satisfaction of the commissioners of inland fisheries and game within the time specified, every owner or occupant shall forfeit not more than one hundred nor less than twenty dollars for every day of such neglect between the first days of May and November. On the completion of a fishway to the satisfaction of the commissioners of inland fisheries and game, or at any subsequent time, they shall prescribe in writing the time during which the same shall be kept open and free from obstruction to the passage of fish each year, and a copy of such writing shall be served on the owner or occupant of the dam. The commissioners of inland fisheries and game may change the time as they see fit. Unless otherwise provided, fishways shall be kept open and unobstructed from the first day of May to the fifteenth day of July. The penalty for neglecting to comply with this section, or with any regulations made in accordance herewith, is not less than twenty nor

more than one hundred dollars for every day of such neglect.

Sec. 40. Whenever the commissioners of inland fisheries and game find a fishway out of repair or needing alterations, they may, as in the case of new fishways, require the owner or occupant to make such repairs or alterations; and all proceedings in such cases and the penalty for neglect shall be as provided in the three preceding sections, without appeal. If the dam is owned and occupied by more than one person, each is liable for the cost of erecting and maintaining such fishway, in proportion to his interest in the dam, and if any owner or occupant neglects or refuses to join with the others in erecting or maintaining such fishway, the other owners or occupants shall erect or repair the same, and have an action on the case against such delinquent for his share of the expenses. If the owner or occupant of such dam resides out of the State, said penalties may be recovered by a libel against the dam and land on which it stands, filed in the supreme judicial court in the county where it is located, in the name of the commissioners of inland fisheries and game or of any fish wardens who shall give to such owner or occupant, and all persons interested therein, such notice as the court or any justice thereof in vacation, orders, and the court may render judgment therein, against said dam and lands for said penalties and costs, and order a sale thereof to satisfy such judgment and costs of sale, subject, however, to all said requirements for the erection and maintenance or repair of said fishway. The commissioners of inland fisheries and game may delegate to any fish warden or other lawful officer of fisheries any of the powers given to said commissioners in relation to the construction of fishways.

AN ACT AUTHORIZING THE EMPLOYMENT OF DEPUTY FISH WARDENS BY THE COMMISSIONER OF SEA AND SHORE FISHERIES AND BY THE COMMISSIONERS OF INLAND FISHERIES AND GAME.

Ch. 214, P. L. 1901. The commissioner of sea and shore fisheries for his department and the commissioners of inland fisheries and game for their department may appoint deputy wardens, for whose official misconduct and neglect they shall be answerable, and said deputy wardens shall be sworn. Their appointment and discharge shall be in writing. Such deputy wardens shall be subject to all the laws pertaining to wardens appointed by the governor and council, and have the same powers. And said commissioners may revoke such appointment at any time.

Ch. 42, P. L. 1899, Sec. 41. The following waters and their tributaries are exempt from the provisions relating to migratory fishes and the supervision of the fishways by the commissioners; that is to say, Royall river in North Yarmouth, Sewall's pond or its outlet in Arrowsic, so much of the waters of the Damariscotta river as are west of the railroad bridge near Damariscotta mills, all waters in Vinalhaven, Tremont, Mount Desert, Eden, Franklin, and Sullivan, Pleasant river in Washington county, East Machias river, and the Eastern Penobscot river in Orland. Little river in Perry shall be exempt from all the foregoing provisions that relate to maintaining fishways in said river, except during April, May and June.

Sec. 42. For the purposes of this chapter, the term "salmon" means the common migratory salmon of the sea coast and rivers; the term "land-locked salmon" means any of the species or varieties of salmon that do not periodically and habitually run to the sea, being the same locally known as "salmon trout" and "black spotted trout;" the term "alewife" means the small species of migratory fish called "alewife" but known also by the local names of "herring" and "gaspereau,"

and also includes the similar species found in tidal waters and known as blue-back;" and the term "bass" means the striped bass of tidal waters.

Sec. 43. The provisions of this chapter so far as they relate to fish apply to the taking of the same in all fresh waters above the flow of the tide and in all tidal waters frequented by the various species of fresh water and migratory fishes, except to the capture of shad and alewives in Denny's river and its tributaries, Pemmaquam river and its tributaries, and the Schoodic lakes and their tributaries, and to the taking of white fish in the Schoodic lakes on the St. Croix river and their tributaries, by citizens of the State with set nets, during the months of May and November, and conveying them to their own homes, but not otherwise. This chapter does not apply to fish taken in the weirs on St. Croix river, and does not repeal the laws relating to the St. Croix, Denny's, Pemmaquam, Cobscook, East Machias, and Narraguagus rivers.

ARTIFICIAL CULTURE OF FISH BY PRIVATE PERSONS.

Sec. 44. Any riparian proprietor may, within the limits of his own premises, inclose the waters of a stream not navigable, for the cultivation of useful fishes; provided that he furnishes suitable passages for migratory fishes naturally frequenting such waters, and does not obstruct the passage of boats and other craft and materials, in places where the same have a right to pass. Any person legally engaged in the artificial culture and maintenance of fishes, may take them in his own enclosed waters wherein the same are so cultivated and maintained, as and when he pleases, and may at all times sell them for cultivation and propagation; but he shall not sell them for food at seasons when the taking thereof is prohibited, under a penalty of not less than ten nor more than one hundred dollars, and a further penalty of not less than one dollar for each fish so sold. Any person engaged in the artificial propaga-

tion of trout, or fresh and salt water salmon, when the parent fish are taken from the public waters in the State, shall retain not less than twenty-five per cent of all eggs taken from said parent fish, and shall cause the same to be properly cared for and hatched, and, when hatched and in proper condition, to be returned to a place suitable for such young fish in the original waters from which the parent fish were taken, and shall cause said parent fish to be returned to safe locations in such waters, under a penalty of not less than fifty nor more than five hundred dollars for each offense. But this section does not apply to cases in which the parent fish are taken in the manner and at the time and place permitted for the capture of such fish for food; nor to operations in fish culture conducted for public purposes by permission of the commissioners of fisheries, who may affix such conditions to their permits as they see fit, requiring in no case, however, less than twenty-five per cent. of the young fish to be returned, as provided in this section.

Sec. 45. No person without permission of the proprietor, shall fish in that portion of a pond or other water in which fish are artificially cultivated or maintained by written permission of the fish commissioners, under a penalty of not less than ten nor more than one hundred dollars, besides two dollars for each fish so taken or killed; and, in default of payment, such offender shall be imprisoned at the expense of the prosecutor, until said forfeiture is paid or otherwise discharged by due process of law.

CLOSE TIME ON MINK, SABLE, MUSKRAT, FISHER AND BEAVER.

Ch. 42, P. L. 1899, Sec. 15. Whoever, between the first day of May and the fifteenth day of October, destroys any mink, sable, muskrat, or fisher, forfeits ten dollars for each animal so destroyed; excepting, however that it shall be lawful to kill muskrats in Lily pond in the towns of Rockport and Camden and also such muskrats as interfere at any time with the operation and maintenance of any canal, ditch, lawful dam, or cranberry bog. Whoever at any time kills or destroys any beaver, except upon written permission of the commissioners of inland fisheries and game, shall be fined one hundred dollars and costs and twenty-five dollars additional for each beaver killed or destroyed.

Ch. 485, P. & S. L. 1901. Sec. 1. Henry McKenney of Jackman, Somerset County, is hereby permitted to fence in the waters of Enchanted Stream in Somerset county above the large dam built by him and in said enclosure to breed and propagate beaver. The title and property in said beaver is to remain in the state of Maine for the space of four years from the date of the approval of this Act. Said McKenney is, however, to procure a lease of the landowners for the above named purpose.

Sec. 2. Any person who shall destroy said fence or kill said beaver shall be punished by a fine of not less than twenty nor more than fifty dollars for any destruction of said fence or the killing or taking away of each beaver.

PROTECTION OF FORESTS.

FIRE.

1885, ch. 337, sec. 15. Whoever kindles a fire on land not his own, without consent of the owner, forfeits ten dollars; if such fire spreads and damages the property of others, he forfeits not less than ten nor more than five hundred dollars, and in either case he shall stand committed until fine and costs are paid, or he shall be imprisoned not more than three years.

1891, ch. 100, sec. 3. The selectmen of towns shall be, ex-officio, forest fire wardens therein and shall divide said towns into three districts, bounded as far as may be by roads, streams of water, or lot lines, and assign to each of their number the charge and oversight of one district as district fire wardens therein. A description of each district and the name of the fire warden thereof shall be recorded with the town clerk. The services of such selectmen acting as said fire wardens, shall be paid for at the same rate as is paid for their official services. It shall be the duty of the fire warden of the district in which a fire is discovered to take such measures as may be necessary for its control or extinction. For this purpose he shall have authority to call upon any persons in the territory in which he acts for assistance, and such person shall receive such compensation not exceeding fifteen cents per hour as said selectmen may determine, the same to be paid by the town. But no town shall be holden to pay for extinguishing forest fires in any year an amount greater than two per cent upon its valuation for purposes of taxation. If any person so ordered to assist, and not excused from said service by said forest fire warden on account of sickness, disability or some important business or engagement, shall neglect to comply with any such order he shall forfeit the sum of ten dollars, to be recovered in an action of debt in the name and to the use of the town, by the treasurer thereof.

Sec. 4. County commissioners of each county in which there are unorganized places shall **annually** appoint, such number of fire wardens as they deem necessary not exceeding ten, for all such unorganized places in any county, whose duties and powers shall be the same with respect to such unorganized places as those of the fire wardens of towns, and they shall also have the same authority to call out citizens of the county to aid them in extinguishing fires, that town fire wardens have to call out citizens of the town. The compensation of such fire wardens shall be paid by the county, and the compensation of persons called upon by them as aforesaid, to render aid, shall be the same as that provided in the case of towns and shall be paid one-half by the county and one-half by the owners of the lands on which said fires occur.

BEWARE OF LEAVING CAMP FIRES BURNING.

Ch. 100, P. L. 1891, sec. 5, as amended by chap. 251 of P. L. of 1901. Whoever by himself, or by his servant, agent, or guide, or as the servant, agent, or guide of any other person, shall build a camp, cooking, or other fire, or use an abandoned camp, cooking or other fire in or adjacent to any woods in this state, shall, before leaving such fire, totally extinguish the same, and upon failure to do so such person shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of fifty dollars, provided that such fires built upon the sea beach in such situation that they cannot spread into forest wood or cultivated lands or meadows, shall not be construed as prohibited by this act. One-half of any fine imposed and collected under this section shall be paid to the complainant.

Sec. 8. It shall be the duty of municipal officers in towns, and county commissioners, the latter with respect to unorganized places, to proceed immediately

to a strict inquiry into the cause and origin of fires, within wood lands; and in all cases where such fires are found to have originated from the unlawful act of any person, to cause the offender to be prosecuted without delay.

Sec. 9. The selectmen of towns in which a forest fire of more than one acre in extent has occurred, and the county commissioners where a forest fire of more than two acres has occurred in any of the unincorporated places in any county, within a year, shall report to the forest commissioner the extent of area burned over, to the best of their information, together with the probable amount of property destroyed, specifying the value of timber as near as may be, and amount of cord wood, logs, bark or other forest product, fencing, bridges and buildings that have been burned. They shall also report the cause of these fires if they can be ascertained and the measures employed and found most effective in checking their progress. Blanks for the reports required in this act shall be furnished by said forest commissioner at the expense of the State.

Sec. 10. Every railroad company whose road passes through waste or forest lands, shall during each year cut and burn off or remove from its right of way all grass, brush or other inflammable material, but under proper care and at times when fires are not liable to spread beyond control.

Sec. 11. All locomotives which shall be run through forest lands, shall be provided with approved and efficient arrangements for preventing the escape of fire and sparks.

Sec. 12. No railroad company shall permit its employes to deposit fire, live coals or ashes, upon their track in the immediate vicinity of wood lands or land liable to be overrun by fires, and where engineers, conductors or train men discover that fences along the right of way or wood lands adjacent to the railroads, are burning, or in danger from fires, it shall be their

duty to report the same at their next stopping place which shall be a telegraph station.

Sec. 14. Any railroad company violating the requirement of this act, shall be liable to a fine of one hundred dollars for each offense.

THE LACEY BILL.

The Act of Congress, approved May 25, 1900, has given new interest to the restrictions imposed by the various states for the protection of game.

This Act supplements existing State laws by prohibiting the shipment from one state to another of game or birds killed in violation of local laws, and by subjecting birds and game brought into a state to the same restrictions as those prescribed for game and birds produced within that state.

This law is regarded as one of the most important ones yet enacted in the interests of game and bird protection.

This federal game law, it can readily be seen, is additional protection to existing State game laws. With good laws well executed, the craft of law evader falls into disrepute. This federal game law will prove an additional check to violators of the State game laws.

The violator of the law has heretofore not had much to fear, if the game was once got out of the State, consequently State game laws have not been sufficiently far reaching.

I submit herewith sections 3, 4 and 5 of the Act above referred to for the information of shippers, dealers and others:

“AN ACT TO ENLARGE THE POWERS OF THE DEPARTMENT OF AGRICULTURE, PROHIBIT THE TRANSPORTATION BY INTERSTATE COMMERCE OF GAME KILLED IN VIOLATION OF LOCAL LAWS, AND FOR OTHER PURPOSES.

Sec. 3. It shall be unlawful for any person or persons to deliver to any common carrier, or for any common carrier to transport from one state or territory to another state or territory, or from any state or territory to the District of Columbia or Alaska, any foreign animals or birds the importation of which is prohibited, or the dead bodies or parts thereof of any wild animals or birds, where such animals or birds have been killed in violation of the laws of the state, territory or district in which the same were killed: Provided, that nothing herein shall prevent the transportation of any dead birds or animals during the season when the same may be lawfully captured, and the export of which is not prohibited by law in the state, territory or district in which the same are killed.

Sec. 4. That all packages containing such dead animals, birds or parts thereof, when shipped by interstate commerce, as provided in section one of this act, shall be plainly and clearly marked, so that the name and address of the shipper and the nature of the contents may be readily ascertained on inspection of the outside of such packages. For each evasion or violation of this act the shipper shall, upon conviction, pay a fine not exceeding two hundred dollars; and the consignee knowingly receiving such articles so shipped and transported in violation of this act shall, upon conviction, pay a fine not exceeding two hundred dollars; and the carrier knowingly carrying or transporting the same shall, upon conviction, pay a fine of not exceeding two hundred dollars.

Sec. 5. That all dead bodies, or parts thereof, of any foreign game animals, or game or song birds, the

importation of which is prohibited, or the dead bodies or parts thereof, of any wild game animals, or game or song birds transported into any state or territory, or remaining therein for use, consumption, sale or storage therein, shall, upon arrival in such state or territory, be subject to the operation and effect of the laws of such state or territory enacted in the exercise of its police powers, to the same extent and in the same manner as though such animals and birds had been produced in such state or territory, and shall not be exempt therefrom by reason of being introduced therein in original packages or otherwise.

This act shall not prevent any importation, transportation, or sale of birds or bird plumage manufactured from the feathers of barnyard fowl."
